Business Membership in a Service Club – a 21st Century Solution

Recognizing the growing importance that businesses place on business social responsibility, the Club has created the Business Membership initiative. Business Memberships invite businesses to participate in giving back to the community through the well-organized systems and structures of Rotary. Membership in Rotary offers an excellent vehicle for staff leadership development. The Club provides a medium to learn about community needs in a variety of areas, and learn about and participate in fundraising and volunteering in ways that truly impact the community. It also provides increased awareness of your business within the community through association with Rotary and the many programs that are supported by The Rotary Clubs of Marco Island.
